Conley & Koontz Equine Hospital

is the first equine hospital in the nation to be certified
as an ACT Now Facility by demonstrating
leadership and mastery in the field of:

Autologous Cellular Therapies

including the entire NStall™ Product Line

NStride™ Arthritis Treatment

Restigen™ Pain Therapy

Adipose Derived Stem Cell Therapy

Marrow Derived Stem Cell Therapy

This expertise with PRP, IRAP, and stem cell systems
allows them to correctly diagnosis and treat arthritis,
lameness, and maximize pain management with
a convenient time of 1 hour or less.
